Improving Inpatient Mental Health Services for Lambeth

Public consultation on proposals to improve inpatient (hospital)
mental health services for adults in Lambeth

Consultation runs from 4 March 2020 until 31 May 2020

On Landor Road,
in Lambeth there
is a hospital.

People told us it is not
a nice place to stay.

This is for adults who
are mentally unwell.

We want to build
a new building.

People can stay there
if they need help.
There are 82 beds.

We have a place
for a new building.
This is at the
Maudsley Hospital,
in Denmark Hill,
Southwark.

The buildings are old,
dark and not very safe.

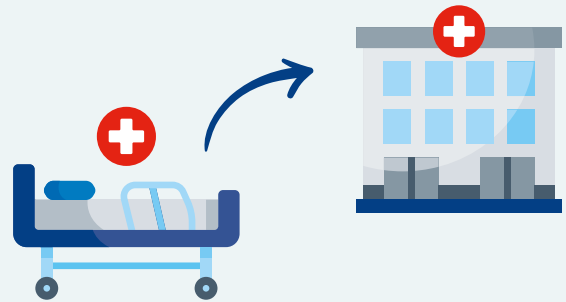

We want the new
building to be a nice
place to stay.

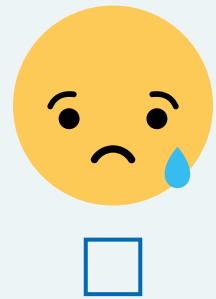

Tell us what you think.

Is it a good plan to move 82 beds to a new building?

Tick a face.

Thank you for telling us.
